

Bullet-In

Members:

First I want to thank you for your trust and confidence in me by electing me President. My goal is to keep the MVSA a safe and exciting place for events for all our members to enjoy.

Keep an eye on the MVSA website calendar; there are many exciting venue matches and events that are listed each month. The Venue Chairs and their volunteers make the matches and events happen, without them the club would not function! Please support these events.

The MVSA Board of Directors is proud to support the Friends of the NRA. They are a 501C3 organization who promotes the shooting skills and education of firearm use to the future generations of the country. MVSA has many members who are on the District Regional Committee who work very hard to organize fund raising events for this worthy cause.

As MVSA Members, we should all pitch in and support and attend the events of this Committee. The next event is the Friends of the NRA Banquet on August 11 at the newly built beautiful Hot Springs Hotel. The Banquet is the main event for the year and raises the necessary funds to continue the program of funding venues for the children of the communities to participate in firearm sports. MVSA has four (4) high schools who participate on the Trap and Skeet Range during the school year.

MVSA is also having an Appleseed Event, September 24-25 which teaches the fundamentals of rifle shooting along with a summary of US History during the Revolutionary War. This too, is a great program to get your children interested in the safe use of firearms in a fun, sporting, competitive manner.

Please contact any MVSA Board Member for more information on these special events.

Until next time, keep safe and enjoy your MVSA Membership Venues!

Jim Patton
MVSA President
